

OCCUPATIONAL HEALTH, SAFETY & WELLBEING POLICY

Centrum Pile Ltd cares about the Occupational Health, Safety & Wellbeing of all employees and others who may be affected by our undertakings, and recognises that Occupational Health, Safety & Wellbeing (OHSW) is an integral and fundamental part of our business.

We have identified all our hazards and risk associated and arising from our operations and understand how these can affect our interested parties.

Our objective is to balance our business aims with our commitment towards hazard elimination and reduction of OHSW risks to prevent injury and ill health.

We commit to:

- Measure and monitor our Occupational Health, Safety & Wellbeing management and performance.
- Use the information gathered to enhance and continually improve our Occupational Health, Safety & Wellbeing management and performance.
- Ensure compliance with applicable legal and other requirements and industry best practice to which the company subscribes.
- The provision of competent resource provided with suitable and sufficient information, instruction, training and supervision to maintain effective Occupational Health, Safety & Wellbeing management.
- The provision and maintenance of safe plant and equipment” and a safe working environment.
- The provision of facilities to consult and actively engage with employees in promoting and developing effective measures to ensure their Occupational Health, Safety & Wellbeing at Work.

Senior Management are responsible for implementing the Company’s policy, although it is recognised the true effectiveness of this policy depends on the full co-operation and participation of all employees and as such their commitment to the content of the policy is encouraged.

The contents of this policy and all revisions which may be made will be brought to the notice of all employees.

This policy will form part of the Integrated Management System and be formally reviewed at least annually by Senior Management.
