

# Mobile Welder - SRW

We are looking to recruit an experienced Mobile Welder to work within SRW, covering sites across the UK. This is a great opportunity for someone who is flexible, reliable, and confident working away from home.

## KEY RESPONSIBILITIES

- Carry out MMA welding and fabrication tasks on-site across various UK locations
- Undertake repairs, maintenance, and installation of steel structures and components
- Ensure all welding work meets company quality standards and relevant safety regulations
- Operate and maintain welding tools, equipment, and company-supplied machinery
- Complete site assessments, identifying hazards and ensuring safe working conditions
- Work independently or as part of a small team on remote and varied project sites
- Travel nationwide and carry out work efficiently and professionally while representing the company
- Maintain accurate job records, timesheets, and work reports
- Communicate effectively with site supervisors, project managers, and colleagues
- Adhere to all health & safety protocols, including use of PPE and safe welding practices
- Support wider SRW operations by assisting with additional site duties when required

## ROLE REQUIREMENTS

- Good practical understanding and experience using MMA welding
- Welding codes are not essential but would be beneficial
- Willingness to work away from home as required
- Full UK driving licence preferred
- Comfortable working on sites throughout the UK

## WHAT WE OFFER

- Company van and fuel card provided by AGE
- All necessary tools and welding equipment supplied
- Excellent rates of pay, dependent on experience
- Weekly and 6-monthly bonus scheme
- Ongoing, varied project work nationwide
